Dear Potential Advertiser,

We, the Executive Board Members, are pleased to offer you an opportunity to advertise your business, service or organization in the program book for our 20<sup>th</sup> Anniversary Eastern Deaf Timberfest, Inc. (EDT) and 12<sup>th</sup> Biennial Timberfest Event. It will be held on June 25-28, 2014 at the Yogi Bear's Jellystone Park Camp Resort at Gloucester Point, Hayes, Virginia. We are expecting thousands of people to attend our event for competition, business and fun.

Eastern Deaf Timberfest, Inc. (EDT) is a non-profit organization which sponsors highly competitive lumberjack and outdoors events for individual of all ages from all over the nation. Individual competition includes events such as ax throwing, speed cut saw, chainsaw logging, relay fames and much more as well as adults and children's activities. Most of the participants will be camping or staying in nearby motels, and may enjoy other events as swimming pool, bocce, horseshoes, dingo, jumping pillow, fishing, crabbing piers, kayaking and water sports, ASL storytelling and carnival or just observing their friends challenges for prizes.

EDT is comprised of experienced volunteers who have provided similar festivities in neighbor's states, and have a strong desire to continue the popular tradition which draws hundreds and visitors and participants.
